

## NEVADA LOCATIONS WHERE FINGERPRINTING MAY BE OBTAINED

The Nevada State Board of Nursing does not endorse or recommend any organization on this list. It is informational only.  
(In addition to those listed, there may be other private companies that provide official fingerprinting services.)

*It is best to call ahead and confirm the location's address, fees, and any special requirements. In general, be prepared to pay cash and provide some form of government identification: a driver's license, passport, or state I.D. card.*

Note: the fee listed here is only for placing your fingerprints on the cards. It is separate from the fee charged by the Criminal History Repository to process your fingerprints.
